Reps. Davis and James to host Town Hall Meeting on flood relief

State Representatives Paula Davis, R-Baton Rouge, and Ted James, D-Baton Rouge, in conjunction with the Sherwood Forest Citizens Association and Crime and Improvement District, will host a Town Hall Meeting Monday, August 29th, to discuss flood relief

Rep. James said, "In the wake of such devastation to our community, it is of the utmost importance that we keep our community and residents informed and have their concerns met. This is not only an opportunity for the public to receive this vital information, but also to come together in our greatest time of need."

The public is invited to attend and receive information on recovery efforts for residents in the hardest impacted areas from FEMA and other state agencies.

"This neighborhood meeting is a great way to continue sharing information and talk with community leaders who can answer our questions and help us take the next steps in our recovery process," added Rep. Davis.

The Town Hall Meeting will be held at St. Thomas More Catholic Church, located at 11400 Sherbrook Dr. in Baton Rouge, Monday, August 29, at 6:30 pm.
